

Courses are divided into sections. Within courses, each section number is unique.

- Each section is taught by instructors.
- Courses are identified by course IDs, and have course descriptions
- Instructors have...
- Sections have... ] (attribute)

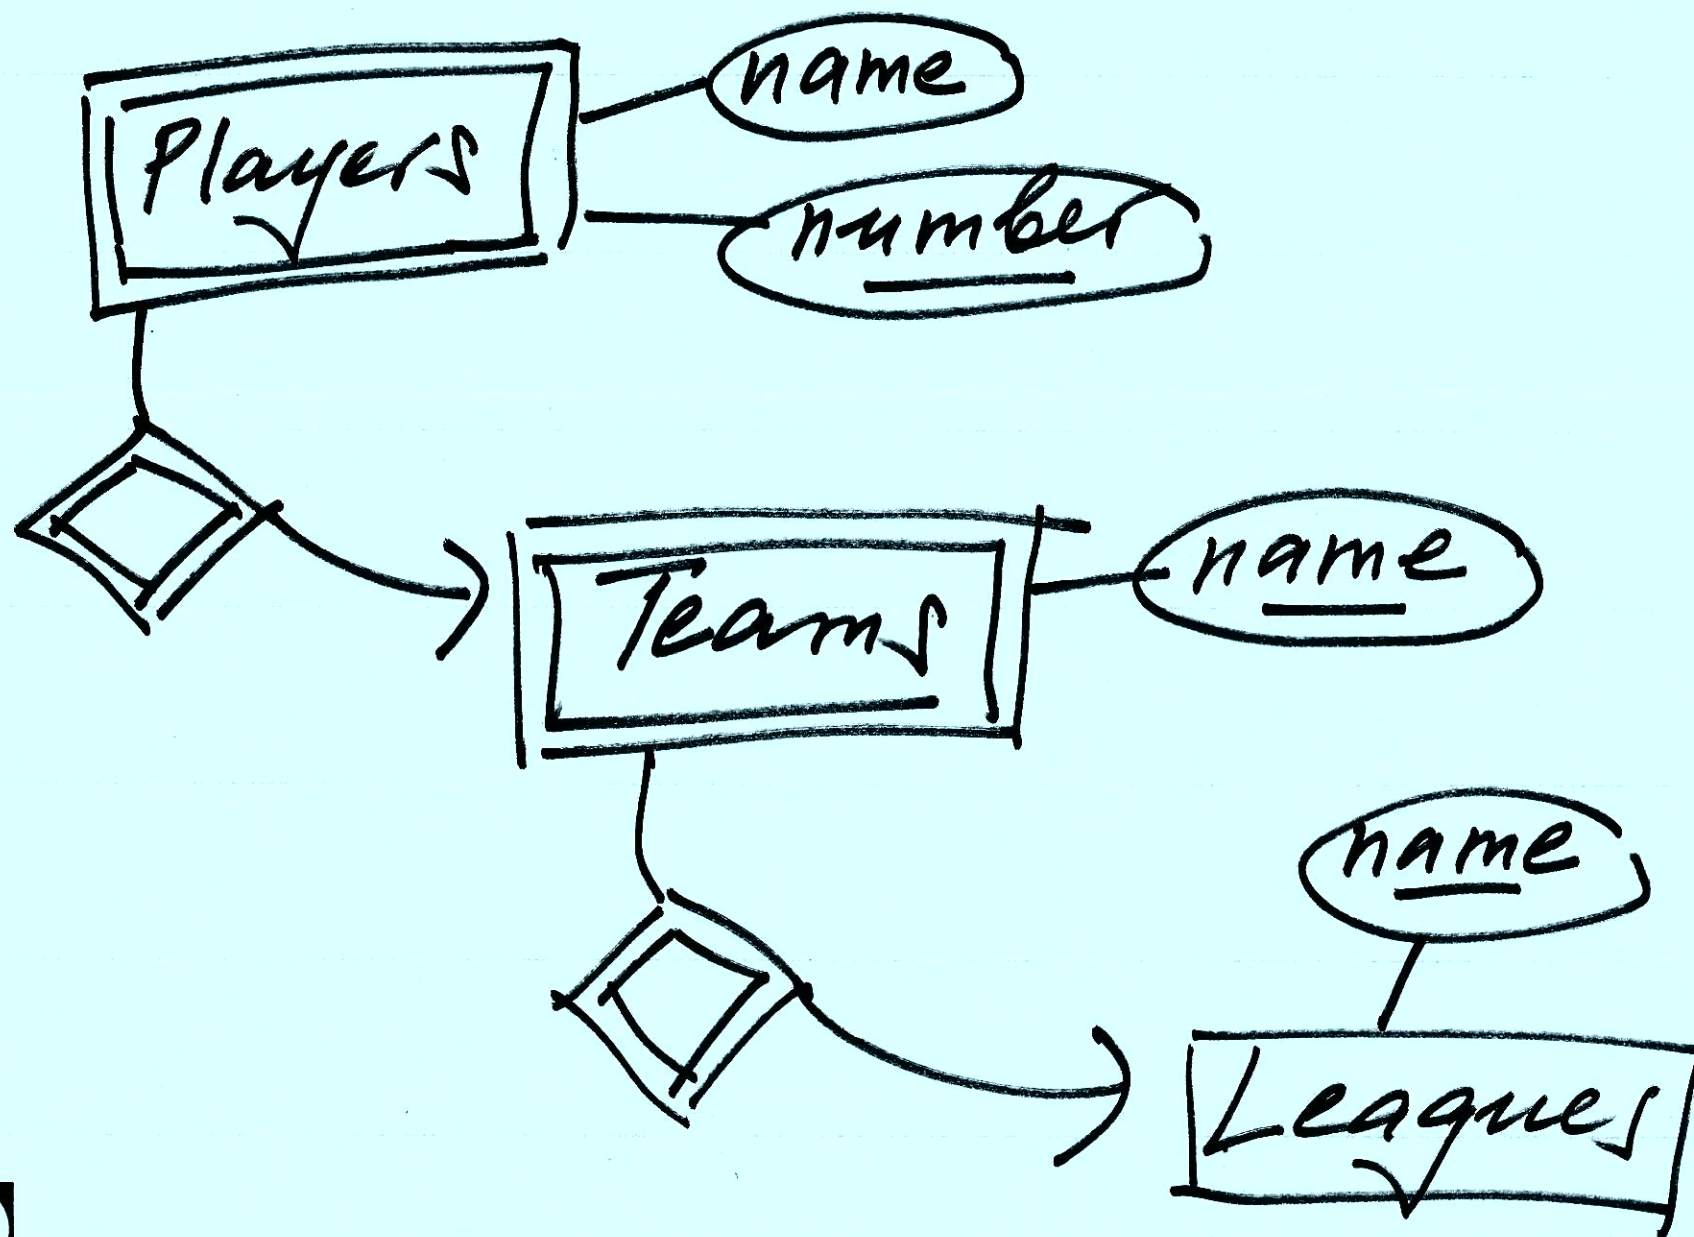

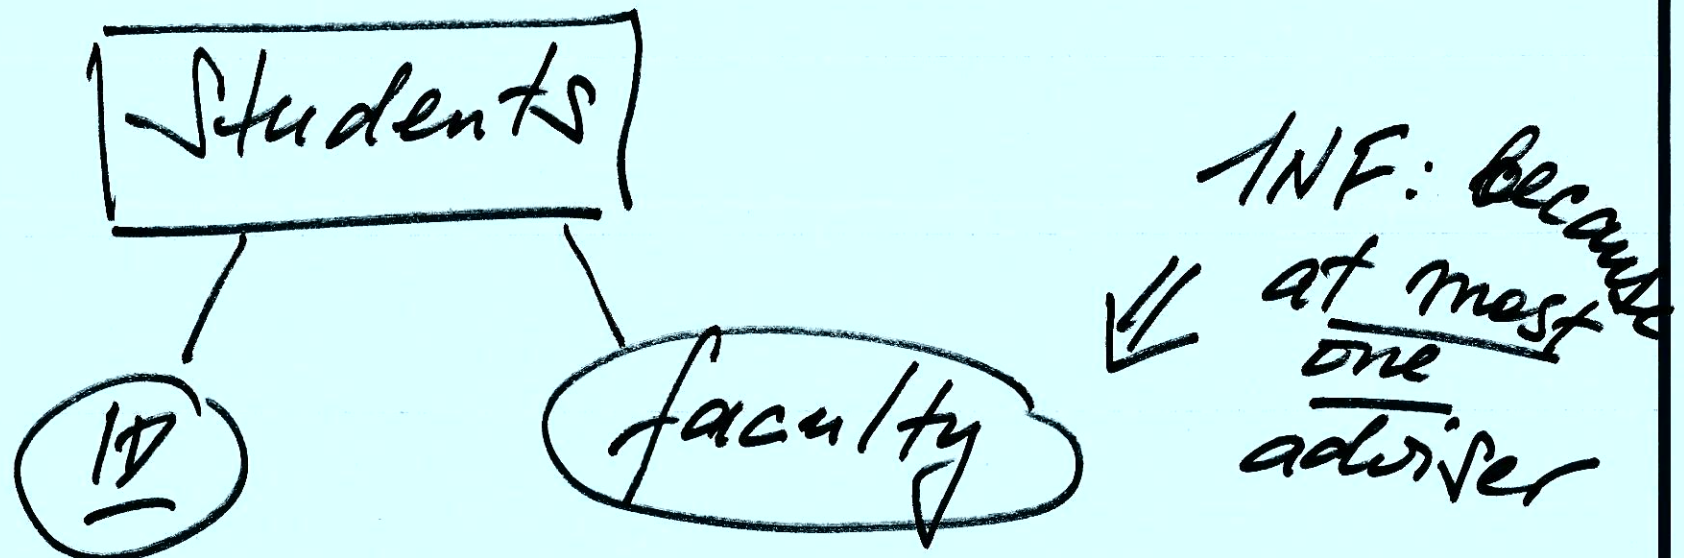

Players have names and play on teams;  
within a team, each player has a unique number. Teams belong to leagues; within a league, each team has a unique name. The name of each league is globally unique.

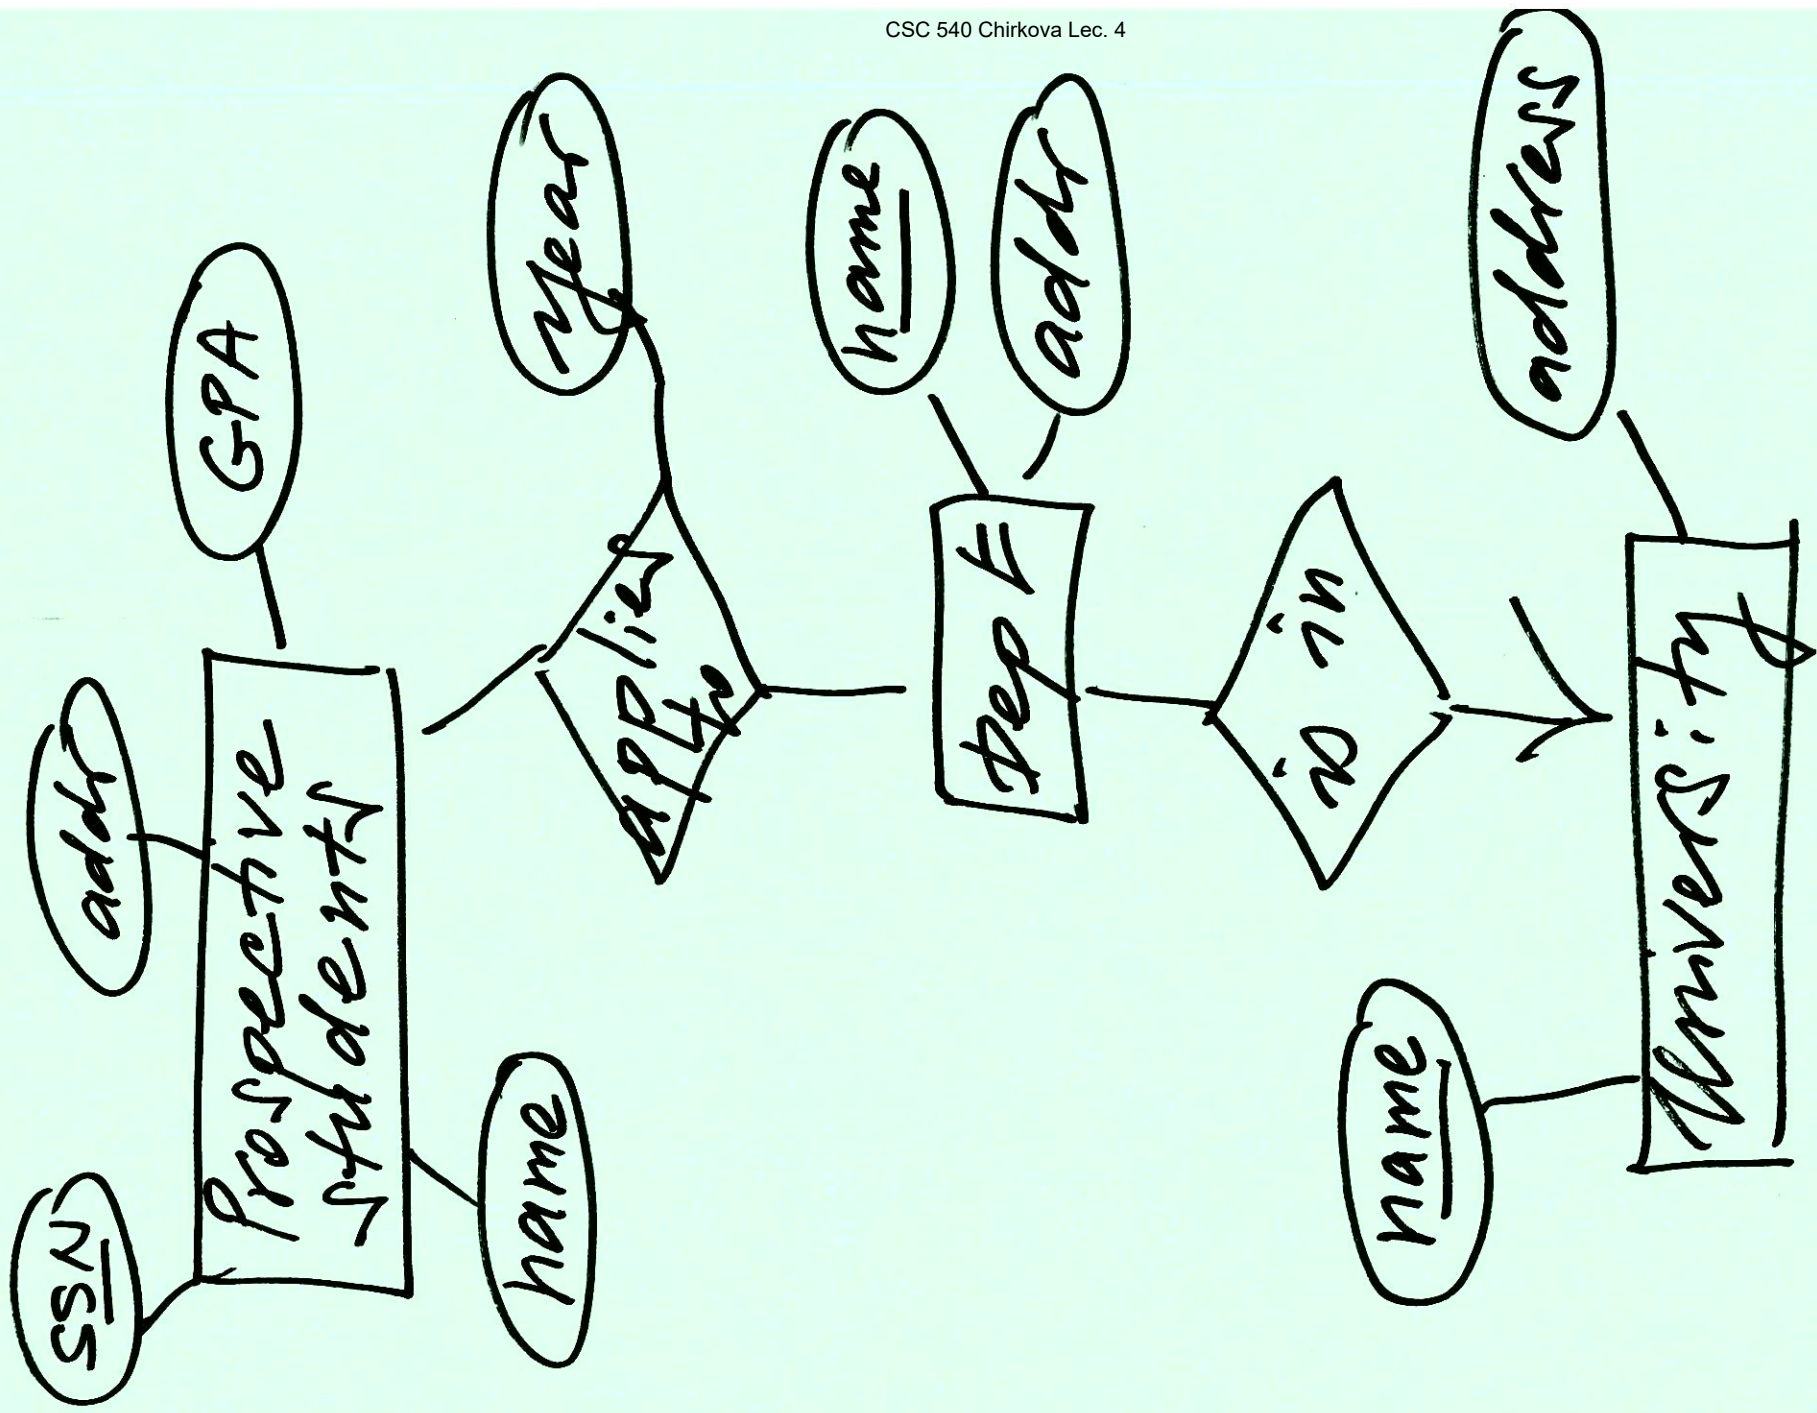

Students (ID, 'a', 'a', 'a')

001	,	'a'
002	,	'a'
003	,	'a'

$PS(\underline{SSN}, addr, GPA, name)$
